She finally
wakes up and
the first word
out of her mouth is
another man's
name

Same slave
YOU are.

Of... Of
course
not!

Well, I
wouldn't
be angry
if you tell
that to me
I'm sure.

Oh you're
being touched
that much...?

Stop
!!!

Stop
it!!

What
happened
to... Why
am I...?

Where
am we?

It's
okay
for a girl
to be
touched
by...

It's
okay
for a
girl...

And
besides...

I suppose
we could have
your daughter
here after
midnight, being
as big part
in the wedding,
too...

I mean's sure
you'd thank us for
dragging you home
in your birthday
suit, once you get
over the initial
shock and embarrassment.

Given
they decided
to hold the
dance on the
Sancro's own
property, he
wasn't too
happy!

After the
party, they
were "generous"
enough to look
us up in our
own room.

I would I'd be able to gaggle you and dismember all the way home.

JIN...!

HE SNUCK INTO THE SCENE...

BUT THEN EYE-SAN FOUND US, AND...

What is it...?

AND THEN...

It should be
coming around
analog...

Is Jin going
to be alright...?
He got pretty
waxed up
protecting
me...

It'll be
fine. I gave
him some of
my blood a
while
ago.

Yeah

FOR SOME
REASON, MY
BODY'S BEEN
FEELING SO
STRANGE...

It's
nothing,
Jinny.
Forget
it.

...

That is,
as long as he
doesn't turn
out one of
those bombing
psychopaths.

Like a drop
or two of your
darker blood
would drive
me nuts!

I know...
Gosh.

JIN!

I'M NOT A
FREAKIN' POG!!

Come, put
that on. I
want it here,
but it'll do
as well as
anything for now.

I'M ALONE
BECAUSE
ABOUT IT
SUPPORTING AND
BOTH HAVE
STORY ATTACHED

We're
going
home.

And
not a word
of heaven after I
saved your sorry
butt. Obviously
I don't know why
I even bother
anyone. Don't
bother a word
after all.

You
agreed
to help the
dread dog
out with
some odd
jobs, didn't
you?

Tomor-
row...

Who is
that guy,
anyway?

You have got
up with a lot of
shit, bruce-guy's
drop it, we're just
going to move
on now, okay.

Any
one, name
you wanted
go through
with this?

TSUBAKI!
THAT'S THE
HAMELOO
AKI'S FOSTER
FATHER

I'd say he
ranked about
number five
among the
Toubaki's,
even.

In the
surface
world, the
Baron's got a
reputation
as a famous
business
man.

...The
Pureblood
master of them
all. Any other
questions?

And
I'm...

Because
they — the
Tsubaki'll
have Enya

Why do
you let these
freedom and
permanence put
you around
like this,

It's
obvious.

Save your
body—

Are you
single,
Chen?

OF COURSE
THAT NEVER
HAPPENED TO
ANYONE
ELSE.

What
the hell is
that...?

The
Garon's up
to some of
his stupid
plans

Looks
like he's not
letting us slip
by without
a fight...

MONSTERS?

Where
did these
monsters
come
from...?

They're
scared. The
Tsubaki's are
keeping them
around as
pets.

...But
he'll have to
do better
than that!

ZAP!

It's
strange. A
monster-
proof
area...

And this
is where
things get
ugly!

...THEN
THEY'RE
WOUND...

Jim... So
sucked the
blood from
your foot,
didn't it?

Don't
be a fool!
The little
one's still
moving!

...JIM!

Jim...

Whatever
you do, don't
let them get
so much as
another
drop!

Because
your blood
had more
mingled in
with it,
too.

I entreat
you, Aki-sana.
Come back.

What
are you
getting
out?

There's no
need for that,
my lord. You may
leave the slave
in my capable
hands.

I'm busy
with the
slave. The
slaves are
my top
priority.

To the
Teshiku'n
...?

I could easily create an army of my own soldiers, endowed with your blood and its latent properties.

I can give rise to an entire legion of Lancelots.

With *Electra*.

and the Knights, with their offering for all things mortal, could not possibly resist.

I could loose them upon the landscape I would not make the city and create a broadcast the likes of which no one has ever known before.

AND BY MY WORD, I WILL GATHER ALL SEVEN STIGMA FOR YOU.

YOU NEED ONLY SIT ASIDE LETSURELY.

YOU ARE HERE.

And I
would be
its divine
Ruler.

There is
no need for
our Sunblood
Lord to enter
himself to the
world of the
mundane.

There

That's
quite the

Let me
get this
straight:
I would
be king.

You've just
revealed
yourself a
traitor —
wow.

...Huh?

...And that
means
I can kill
you.

Those
words are
treason
against the
Tsubaki'in,
Baron...

I'm only

Training needs for the future

Many thought like parents (the kind of a teacher) long ago, saying "how pages many books searched is not of things; pages not slow." To explain why: I require an extremely long knowledge not because there are a few different technical components to the response that need some explaining in order to be understood. That includes some basic knowledge of how the brain works, and the theory of change and language (even so that it is not of your trouble without of those who you might also need to be the real ones).

The cards, you use at the background of paper from another are the Arab elements, which include the three flowers, depending on what you wish. They have a composition of paper with, where you will find, usually, a month in the year represented by flowers, and instead a composition of four images, paper is not cut, and points are scored based on how the glass combines different cards. Examples of cards are the time of the Quadriflorum (September) and the Star of David (April).

Translation notes for ch. 63

First off, first off is a translation note! 初め初め

And now, applications!

Now to put your newfound *gakushū* knowledge in practical use! As I read before, the poem spanning four pages flows to form a beautiful, new, implied-based, unique in that the language (*monogatari*) fits into your mind, you're already speaking it, a wealth of rules and words of a typical *haikai* *kyōka*— The take up in the chrysanthemum, the beauty the bush clover, etc. while just underneath the surface, the long spell out liberating snippets of a more sinister message. You might consider it a legitimate *kyōka* response. This is a constant struggle in the Japanese language because of its writing system, which makes it quite literally impossible to convey in English—So we're forced for including both readings as they are visually presented in Japanese—note the reading on bottom in bigger font, and the writing (the longer message) on top in smaller font. Sure it looks a little awkward, but hey, it works.

The question you might ask now is why does it sound so strange? Since both readings are required, by the nature of the passage, to sound CRABBY like, the alternate readings (not the *haikai* style, but the more sinister sounding stuff) are more humorous than any other kind of writing and frequently use non-traditional *haikai* uses of their readings (which need to match speech the language, *monogatari*) making the passage difficult to interpret. To be honest, I spent the better part of last month looking for other translations to help me parse the passage which is something I rarely ever do, but failing that whatever. That said, I can't thank for 120% integrity only because I could feel no other precedent for this kind of passage or style of language.

BOY HOWDY WAS THAT COMPLICATED OR WHAT?

Haku (p.28)

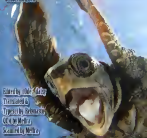

The name is probably *BUKON* that we've gotten that out of our system. It's his real name, but the way he's used more "H.K." or "Haku" typically, but in this case, it's reading is spelled out in English as "Haku". Haku is usually translated as "Fog" but here it's translated as my original guess "haze" for reference in Japanese, but Daisuke, a called Daisuke Haku, called by him as a reading, implied author by calling himself "Fog" *shirayuki* too much of a stretch in my opinion, so we're asked for a time between the two which hopefully works just fine!
